Reviewer A:

Title

Title reflects the essence of the content of the article (content, method, novelty)

:

Suggestion

1. in the title: Educational Institutions should not only be Islamic Education, but also general Educational Institutions, because cases of sexual harassment also occur in those places.
2. Changing Islamic Education into Educational Institutions, because if you only mention Islamic Education, it will seem that sexual violence only occurs in Islamic boarding schools, even though sexual violence also occurs in public Educational Institutions,

Abstract

Abstract contains problem of research, method, and result

:

Abstrak should be adapted to the latest title, the approach used and the style of the samarah journal.

Originality

The originality of the subject matter, and the manuscript would be of interest to the the scholar of Islamic countries in general and specifically in Indonesia

:

Referring to the title and data presented, this study contains authenticity. Discussions about sexual harassment in educational institutions have been going on for so long and have occurred in various countries. Therefore, field data, ahkam interpretation approaches and legal sociology provide assurance about the authenticity of this article.

The Depth of Literature

Whether the article draws on an appropriate range and depth of literature (if not please indicate which sources of literature should be included by the author in future)

:

it is necessary to add references to articles and field data, especially cases that occur in general educational institutions, not only Islamic education or Islamic boarding schools.

Finding Presentation

Whether the findings presented are subjected to suitable analysis and sound conclusions drawn

:

1. Please complete the table with a number of cases in general education institutions from various regions in Indonesia that were tracked randomly.
2. it is necessary to add analysis and adjust conclusions with a new title and focus, namely the addition of general education institutions in Indonesia.

Implications for understanding the study of Islamic family law and Islamic law in Islamic in Islamic countries in general and specifically in Indonesia

:

This study will have at least two implications; 1. The implications for the substance of the article are to encourage all parties to pay attention to and protect against sexual harassment in educational institutions. 2. The theoretical implication, that this study does not only use the interpretation and Ulumul of the Koran alone, but is combined with an approach to Islamic law and sociology as a tool of analysis.

Technical writing

Articles must be in accordance with the surrounding style and journal template

:

according to the samarah template

Additional comment for the author:

can be recommended for publication with minor improvements

Is the article qualified for publication?

Please indicate your suggestion whether this article is qualified for Samarah

Minor Revision

Reviewer B:

Title

Title reflects the essence of the content of the article (content, method, novelty)

:

This study is interesting in terms of the title, content and findings as well as the approach used. Therefore, this article corresponds to Samarah Journal.

Abstract

Abstract contains problem of research, method, and result

:

The abstract of this paper has not confirmed the method used. while the problems, methods and findings have been described.

Originality

The originality of the subject matter, and the manuscript would be of interest to the the scholar of Islamic countries in general and specifically in Indonesia

:

The cases studied in this article are quite new and have attracted the

attention of the international community as well as legal observers in Indonesia as well as Islamic law.

The Depth of Literature

Whether the article draws on an appropriate range and depth of literature (if not please indicate which sources of literature should be included by the author in future)

:

the literature used, especially Scopus articles, is quite good.

Finding Presentation

Whether the findings presented are subjected to suitable analysis and sound conclusions drawn

:

the data presented, the analysis described is in accordance with the findings of the study. because of that, the article succeeded in explaining the problem, data and analysis as well as conclusions into a logical and scientific whole.

Implications for understanding the study of Islamic family law and Islamic law in Islamic in Islamic countries in general and specifically in Indonesia

:

This study will have implications for the insight that Islamic law is also quite concerned about the protection of cases of sexual harassment. Human rights are not only fighting for the rights of the oppressed, especially women and children.

Technical writing

Articles must be in accordance with the surrounding style and journal template

:

1. the introduction requires a more general opening paragraph and becomes a "bridge" in the next paragraph.
2. The discussion section needs a subtitle so that it is more focused.
3. writing footnotes for interviews needs to be adapted to the samarah format.

Additional comment for the author:

the themes and references are quite good.

Is the article qualified for publication?
